Work Experience

• Operations Coordinator

Nordic Luxury Ehf. – (Reykjavik, Iceland) March - June 2024

Playing a key role in unique travel experiences performance and arranging and controlling it's smooth accomplishment, as well as operating company's system and tours management.

• Manager, travel consultant and planner

Ýma - Náttúrukönnun ehf. – (Reykjavik, Iceland) 2014 - 2019

Running the company without supervisors, successfully handling force majeure situations, performing travel consulting and managing the work flow, including other employees, brought the firm's income to 12 % growth a year. The company's rating and image significantly increased, the customer's amount raised.

• Working in a tourism sale industry

Arctic Shopping, Lundinn (Reykjavik, Iceland), 2013 - 2014

Managing the shop's flow (opening and closing), making supply orders, consulting customers, operating a financial system increased the firm's sales as well as the shop's popularity among competitors.

• Working in a gastronomy service field

ÞB veitingar ehf., (Reykjavik, Iceland), 2012 - 2013

Capably handling the restaurants during peak times and over-bookings, running full shifts, giving high service and recommendations to a different range of customers increased the company's sales and brought it to a new level within other restaurant chains.
